

SYMPTOMS LIST FROM Louise Hay's Book

You Can Heal Your Life

Causes of symptoms according to Louise Hay is a good place to start if you are looking for healing. *Illness, however mild or severe, is an indicator of your emotional state, caused by your thoughts and focus.*

You Can Heal Your Life by Louise Hay.

In this book Louise outlines the causes of physical symptoms and the affirmations one must repeat to heal the illness.

Louise Hay's book can be instrumental in helping you understand that *our thoughts create our life experiences*, and that the key to true happiness is self love. She focuses on loving yourself, as once you love you, everything you want will flow to you naturally. The world begins to love you. Our thoughts have vibrations, which attract like diseases. Louise's book is a very good introduction into true self development, and below is the full list of symptoms from Louise Hay.
